Do you want to run or save this file?

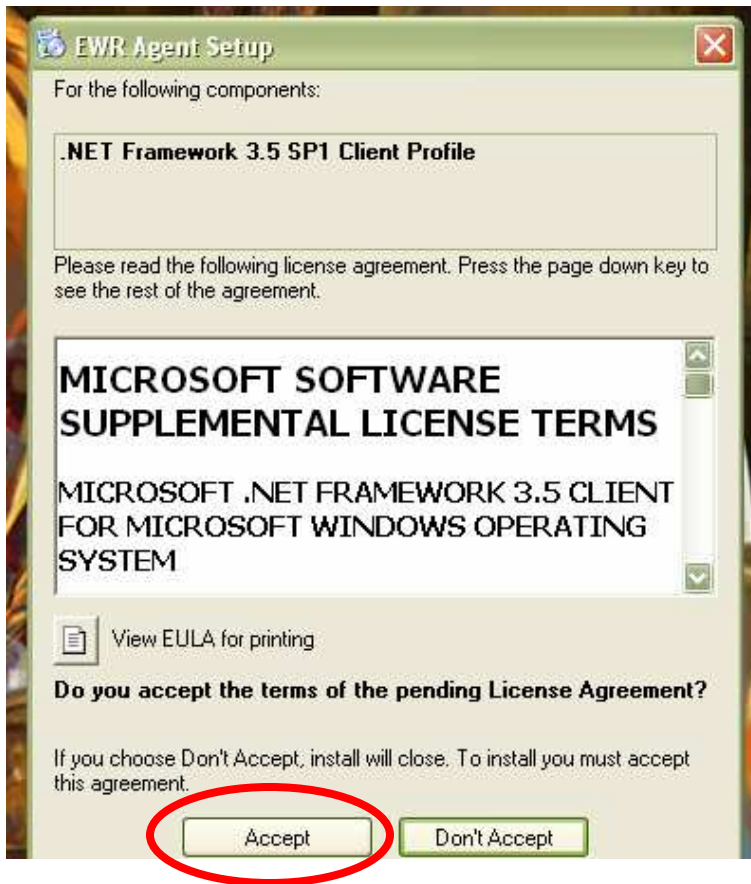

Name: SetupEWRAgent-DS.exe  
Type: Application, 418KB  
From: [ewragent.dealershipsoftware.net](#)

While files from the Internet can be useful, this file type can potentially harm your computer. If you do not trust the source, do not run or save this software. [What's the risk?](#)

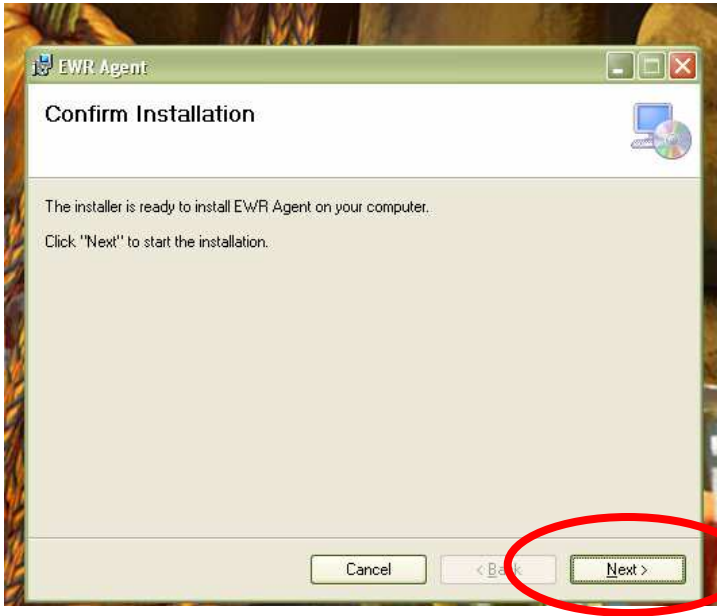

You will click on Run again.

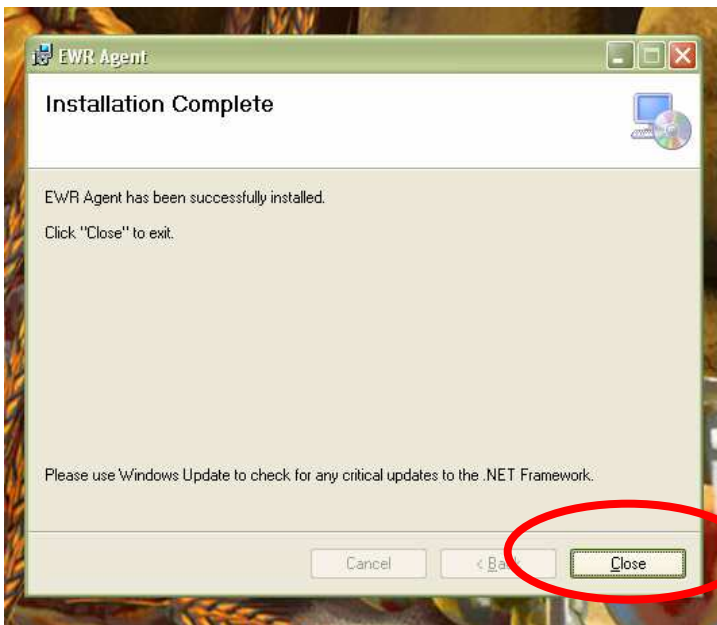

You will then see the following. Click on "Accept". Please note that this installation can take up 10 minutes to complete. Please be patient.

You will see a series of different boxes appear for a few minutes, once they have finished you will see the following appear. Click on “Next”.

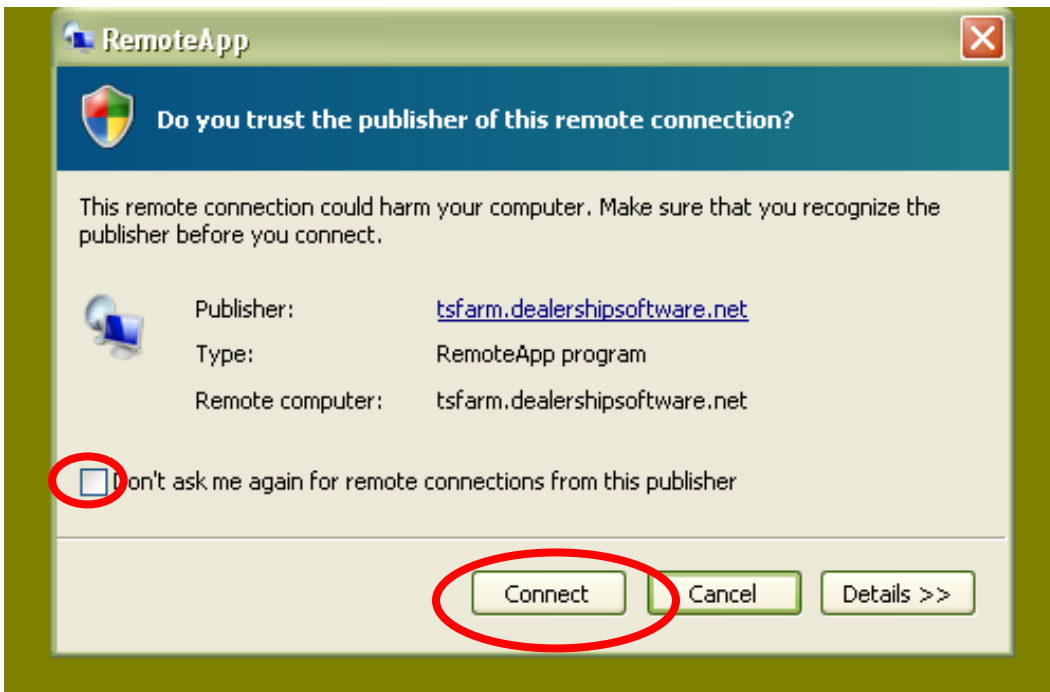

You will then click on “Close”. The icon has now been downloaded to your desktop.

You will now need to find this icon on your desktop and double click it. **Please Note this may take a few minutes. Please be Patient. This will only occur the first time you open the icon.**

You then see the following box appear. (You can optionally check the box in the lower left corner.) Click on "Connect".

You will now need to enter your username and password and you will then connect to the program. **Note: You can optionally check the box to remember your password although it is not recommended. Checking this box will allow anyone who can access your computer the ability to access the program.**

You should now be in the program. You can size this down where you would like. We recommend you open the calendar and size it there as that is the largest form in the program. Once you have sized it down it will remember your settings the next time to log in.
